(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

A

BILL

further to amend the Calcutta Municipal Act, 1923, for removal of certain doubts about the extension of term of office of the Councillors and Aldermen of the Corporation of Calcutta.

WHEREAS the term of office of existing elected Councillors including those appointed under section 36 of the Calcutta Municipal Act, 1923, and of the existing Aldermen of the Corporation of Calcutta was extended by notification No. 3114M., dated the 20th September 1938, issued under the proviso to section 39 of the Calcutta Municipal Act, 1923; Ben. Act III of 1923.

AND WHEREAS doubts have been raised as to the validity of the said notification owing to the language of the existing proviso to section 39 and of section 45 of the said Act;

AND WHEREAS it is expedient to remove such doubts by amending the said sections in the manner hereinafter appearing and to give retrospective effect to the said amendments;

AND WHEREAS it is also expedient to validate the said notification;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Calcutta Municipal (Amendment and Validation) Act, 1939.

Amendment of section 25 of Bengal Act III of 1923.

2. To sub-section (*4*) of section 25 of the Calcutta Municipal Act, 1923 (hereinafter referred to as the said Act), the following proviso shall be added, namely :—

"Provided that the said period of three years may be extended by the Provincial Government for a period not exceeding one year, by notification in the *Official Gazette*, if in special circumstances (to be specified in the notification) they so think fit."

Amendment of section 39.

3. In the proviso to section 39 of the said Act—

(*a*) for the words "the said period" the words "the said term of three years," and

(*b*) for the words "for a period" the words "for a term"

shall be substituted.

The Calcutta Municipal (Amendment and Validation) Bill, 1939.

(*Clauses 6, 7.*)

Validation of notification extending the term of office of Councillors and Aldermen.

6. The notification No. 3114M., dated the 20th September 1938, which was issued under the proviso to section 39 of the said Act, shall be deemed to be as valid as if it had been issued under the proviso to the said section as substituted by section 2 of this Act and is hereby declared to have full force and effect. [*cf.* Ben. Act II of 1910, s. 3.]

Power of Provincial Government in respect of the next general election to be held before the expiry of the extended term of office of the Councillors and Aldermen.

7. If any difficulty arises as to the preparation or publication of the electoral rolls for the purpose of, or the holding of, the next general elections to be held under section 45 of the said Act before the expiration of the term of office extended under the proviso to section 39 of the said Act, the Provincial Government may by order authorise any matter or thing to be done which appears to them to be necessary for the proper preparation or publication of the rolls or for the proper holding of the elections.

STATEMENT OF OBJECTS AND REASONS.

It is proposed to undertake legislation to amend the Calcutta Municipal Act, 1923 (Ben. Act III of 1923), and to hold under the Act as amended the next general election of Councillors of the Calcutta Corporation. The next general election falls due in March 1939, but it will not be possible by that date to pass the amending Bill through both Houses of the Legislature and to bring it into force. By notification No. 3114M., dated the 20th September 1938, and issued under the proviso to section 39 of the Calcutta Municipal Act, 1923, Government have extended for a period of one year from the 31st March 1939 the term of office of certain existing Councillors and Aldermen. Government are now advised that, as the proviso to section 39 stands at present, the validity of the extension granted is questionable. The present Bill is accordingly intended to validate that extension by amending section 39 with retrospective effect, and by making the necessary consequential amendments in sections 25 and 45.

NOTIFICATION.

No. 1308L.—19th December 1938.—The Governor having been pleased to order, under rule 19 of the Bengal Legislative Council Rules, 1920, as modified and adapted for the Bengal Legislative Council and for the Bengal Legislative Assembly respectively, under section 84(*3*) of the Government of India Act, 1935, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL EXCISE (AMENDMENT) BILL, 1939.

A

BILL

further to amend section 65 of the Bengal Excise Act, 1909.

WHEREAS it is expedient further to amend section 65 of the Bengal Excise Act, 1909 in the manner hereinafter appearing; Ben. Act V of 1909.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Excise (Amendment) Act, 1939.

Amendment of section 65 of Bengal Act V of 1909.

2. In sub-section (*1*) of section 65 of the Bengal Excise Act, 1909 for the words "Superintendent of Excise" the words "Inspector of Excise" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Under section 65(*1*) of the Bengal Excise Act, 1909 (Ben. Act V of 1909), the Collector or any officer specially empowered by the Provincial Government in this behalf, not below the rank of Deputy Collector (or Superintendent of Excise), has been vested with the power to compound offences.

Many districts formerly in charge of Superintendents are at present in charge of Inspectors of Excise and Salt. In view of the provisions of section 65 of this Act, these Inspectors of Excise and Salt cannot be empowered to exercise the powers under that section. The object of the Bill is to amend section 65 with a view to enable the Provincial Government to authorise Inspectors in charge of districts to compound offences.

CALCUTTA IMPROVEMENT TRUST.

NOTICE.

Notice is hereby given under section 47(3) of the Calcutta Improvement Act, 1911 (as amended), that the Board of Trustees for the Improvement of Calcutta, have applied to the Local Government for sanction to Improvement Scheme No. L (Howrah Bridge Approach—from Canning Street to Strand Road) which was first published in the *Calcutta Gazette* and in local newspapers on the 10th March 1938.

C. W. GURNER, *Chairman.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 12th December 1938.

Final Forecast of the Bhadoi Crops of Bengal, 1938-39.

(*Note.*—On an average of the five years ending 1936-37, the area under autumn rice in Bengal has represented some 7·7 per cent. of the total area under rice in India.)

Character of the season.—As reported in the preliminary Forecast abnormally heavy and incessant showers and a sudden and early rise of rivers adversely affected the growth of the crops and necessitated premature harvesting of autumn paddy. Wide areas in the Dacca, Rajshahi and Presidency Divisions and in the district of Noakhali were destroyed by long standing flood. The season has thus been a bad one for the *Bhadoi* crops as a whole.

Acreage.—The total acreage sown with the different *Bhadoi* crops this year is reported to be 6,424,500 acres against 6,616,500 acres last year. Of this, the area under autumn rice is estimated at 5,727,000 acres against 5,864,500 acres last year.

Outturn.—According to the District Officers' estimates, the outturn of the different *Bhadoi* crops for the Presidency works out at 62 per cent. of the normal this year against 83 per cent. last year. The autumn rice is estimated to yield an outturn of 60 per cent. of the normal for the Province this year against 82 per cent. last year.

On the basis of a normal yield of $11^1/_6$th maunds of clean rice per acre, the gross outturn of *Bhadoi* paddy (autumn rice) for the Province is estimated at 1,402,500 tons this year against 1,962,800 tons last year.

M. CARBERY,

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE
BENGAL.

Dacca, the 13th December 1938.

Second Forecast of the Winter Rice Crop of Bengal, 1938-39.

(*Note.*—On an average of the five years ending 1936-37, the area under winter rice in Bengal has represented some 20·5 per cent. of the total area under winter rice in India.)

Character of the season.—Since the submission of the first forecast in September last, the weather has been fairly favourable for the final growth and flowering of transplanted winter paddy, although the crop has been affected by insufficient rainfall in Bankura, Hooghly and Howrah and by excessive rains and high winds in Faridpur and Bakarganj. On the whole, a fairly satisfactory outturn is expected to be reaped for the Province.

Acreage.—According to the figures returned by the District Officers, the total area under winter rice is 15,734,300 acres as compared with 15,818,900 and 15,922,500 acres in the corresponding and final forecasts of last year.

Outturn.—From the summary of the district returns appended it will be seen that one district reports a bumper crop, three districts a normal crop, twelve districts a crop varying from 80 to 92, and the rest below 80 per cent. of the normal. According to the above estimates the provincial outturn works out to 82 per cent. of the normal as against 96 and 94 per cent. in the corresponding and final forecasts of last year.

Accepting 82 per cent. as the provincial outturn, the gross yield of the crop, on the basis of a normal yield of 12½ mds. of clean rice (husked) per acre, is estimated at 5,921,400 tons this year as against 6,973,200 and 6,872,700 tons, respectively, in the corresponding and final forecasts of last year.

M. CARREY,

Director of Agriculture, Bengal.

59. When an Appeal has been admitted under Order XLI, Rule 11, Civil Procedure Code, and the records, called for under the provisions of Rule 31, Chapter V of these Rules, have arrived the Officer in charge of the Judicial Department shall serve a notice on the Advocate authorised by the Appellant to prepare the Paper Book under Rule 58 informing him of the arrival of such records and calling upon him to file, before the expiry of thirty days from the date of receipt of such notice by the Advocate, two copies of the Paper Book for the use of the Court prepared in accordance with Rule 56 accompanied by sufficient number of copies for service on all the appearing Respondents and upon the Deputy Registrar of the Court, if the latter has been appointed guardian *ad litem* of a minor Respondent, and a certificate to the effect that the Paper Book has been compared with the original papers. The copies supplied for the use of the Court shall tally as to paging, etc., with the copies used by the Advocates for the Appellant, the Respondents and the Deputy Registrar, at the final hearing.

60. An Advocate authorised under Rule 58 to prepare the Paper Book on behalf of the Appellant shall be afforded all reasonable access to the original record in order to enable him to prepare the Paper Book and to correct his copies where necessary and make translations, but shall not be entitled to remove such original record from the Court's office or to make copies of any documents. Certified transcripts of papers shall be furnished to him, if he so desires, upon payment of the usual charges.

(*a*) Such Advocate shall himself deal with the original records made over to him, and is hereby prohibited from entrusting them to the care of any other person.

(*b*) Such Advocate shall be permitted to utilise the services of one reader or Muharrir to assist him in comparing the manuscript of the Paper Book with the original record. He must, however, himself be present and continuously in possession of the records and on his leaving the office the records must be returned to the Officer of the Court in charge and the work of preparing the Paper Book must at once cease, the reader or Muharrir leaving with his employer.

(*c*) If a certified copy of a map has to be compared with the original such Advocate shall be allowed to utilise the services of a draftsman, who will be allowed access to the records on the same terms as the reader or Muharrir.

61. The Respondent shall at the time of entering appearance deposit with the Accountant the sum of Rs. 5 in full payment of the costs of the Paper Book.

Provided that in cases in which there was an order of remand passed by the lower appellate court and in which the previous judgments (original and appellate) will have to be included in the Paper Book the charge for the Paper Book to the Respondent will be Rs. 6 instead of Rs. 5 as in other cases.

Provided further that in a case of batches of analogous appeals the charge shall be regulated as follows:—

Rs. 5 or 6, as the case may be, for the first appeal, annas 12 per appeal for the next four appeals and annas 6 for every appeal thereafter, the additional charge for analogous appeals not exceeding Rs. 5 in any case.

No charge shall be made for the copy, if any, served on the Deputy Registrar of the Court as guardian *ad litem* of a minor Respondent.

The Appellant on his filing the requisite number of Paper Books shall be entitled to withdraw the amount or amounts deposited by the appearing Respondent or Respondents.

If a Respondent requires additional copies of the Paper Book he shall deposit Rs. 5 per copy with the Accountant of the Court and the Appellant shall be at liberty to withdraw the same upon production of an acknowledgment of receipt of Paper Book from the Respondent.

NOTE 1.—Where analogous appeals have been presented in separate batches each batch of such appeals presented by the same Appellant, or by the same Advocate representing different Appellants, shall be considered as a separate batch of analogous appeals and the charge in respect of Paper Book shall be calculated for each batch of such appeals separately.

NOTE 2.—In the case of single appeals presented by different Advocates or Appellants in person, the charge for Paper Book shall be calculated as provided in this Rule for each such separate Appeal, nothwithstanding that such appeals may be analogous to others.

62. In the event of the Appellant failing to file the Paper Book within the time prescribed in Rule 59 the Officer in charge of the Judicial Department shall lay the matter before the Registrar, who may, on an unstamped application, in suitable cases extend the period for filing the Paper Book, or may at once cause the appeal to be set down before the Division Court for orders. If the Appellant fails to satisfy the Court as to the delay, the appeal may be dismissed for want of prosecution, or the Court may pass such other order as it may deem proper."

Orders and Notifications by the Government of India republished for general information.

OFFICE OF THE PRIVATE SECRETARY TO THE VICEROY.

NOTIFICATION.

New Delhi, the 15th December 1938.

No. 140-H.—His Excellency the Viceroy has been pleased to confer the Indian Police Medal on the following officers:—

Bengal.

1. Babu Keshab Lal Biswas, Assistant Sub-Inspector, Faridpur.—On 8th May 1937, Babu Keshab Lal Biswas, an Assistant Sub-Inspector attached to the Madaripur police-station in the Faridpur district, while returning from night patrol with 2 constables, received information that a riot was likely in village Kalikapur. He hastened to the village and found about 1,500 people in two parties, making preparations to attack each other. The Assistant Sub-Inspector warned both parties that unless they dispersed, action would be taken against them. The police had only 1 gun. The Assistant Sub-Inspector finding his warning of no avail, opened fire on the mob and shot 1 member of each of the opposing parties. His action averted a severe riot in which many lives would have undoubtedly been lost.

2. Babu Sakhi Charan Mondal, Assistant Sub-Inspector of Police, Faridpur.—On 10th February 1938, Babu Sakhi Charan Mondal, an Assistant Sub-Inspector attached to Kotalipara police-station in the Faridpur district, was ordered to take 2 constables armed with muskets to prevent a breach of the peace near Chhatrakanda. On arrival at the spot he saw about 500 Namasudras and 400 or 500 Muhammadans assembled with spears and other weapons. The two parties were obviously preparing to attack one another. The police took up a position between the parties and the Assistant Sub-Inspector warned them that if they did not disperse he would open fire. This warning was of no avail and the two parties actually began to attack each other. The Assistant Sub-Inspector fired 3 shots at the feet of the rioters and they ultimately withdrew to their respective homes. Many persons on both sides were wounded by the opposite party.

The action of this Assistant Sub-Inspector in intervening between two riotous mobs with such a small force at his disposal was an act of conspicuous gallantry.

3. Maulvi Sikander Mian, Officiating Assistant Sub-Inspector of Police, Noakhali.—Soon after midday on the 7th of April 1938 Assistant Sub-Inspector Sikander Mian, who was temporarily in charge of Ramgati police-station, received information that a riotous armed mob of about 200 was collecting at

Kaliachar a place in the charland about 12 miles distant. With 4 constables, 2 of whom he armed with guns, he left the police-station and arrived at Kaliachar to find the mob burning houses and pillaging. On the arrival of the police party the miscreants ran away and were pursued by the police and villagers. One of the rioters was caught by a villager, whereupon the remainder turned and attacked the police party. By accident they fatally injured the man who had been taken prisoner, which so infuriated them that their attitude became murderous. With commendable promptitude and presence of mind the Assistant Sub-Inspector ordered 1 constable to fire, which he did. Although the shot struck no one it had the desired effect of again putting the mob to flight, and enabled the police to take 3 more prisoners.

By the promptness of his action in turning out his little force and hastening to the scene, by his resolution in attacking such overwhelming number and his commendable coolness in ordering the opening of fire at the right moment, the Assistant Sub-Inspector not only upheld the prestige of the police but rendered valuable service connoting resource and devotion to duty, and thereby undoubtedly prevented much more damage to property and perhaps to life. The magisterial enquiry justified the firing and highly commended the Assistant Sub-Inspector's action.

These awards are made for gallantry under regulation *d(i)* of the regulations governing the grant of the Indian Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police.

Private Secretary to the Viceroy.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 19th December 1938.

First Forecast of the Spring Oilseed Crops of Bengal, 1938-39.

(*Note.*—On an average of the five years ending 1936-37 the area under linseed in Bengal has represented some 3·4 per cent. and that of rape and mustard 11·9 per cent. of the total area under these crops in India.)

Explanatory.—Three forecasts are issued for the spring oilseed crops. The present one deals with the area sown and the condition of the crops.

Area sown.—Spring oilseeds are chiefly grown in the Presidency, Rajshahi and Dacca divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting *sesamum* for which separate forecasts are issued) is returned at 977,600 acres this year against 932,100 acres and 951,100 acres respectively in the corresponding and the final forecasts of last year.

Character of the season.—Weather and rainfall conditions have generally been favourable for the growth of the crops. Heavy rainfall in November had, however, an adverse effect on the growth of the crops in the districts of Noakhali, Tippera, Chittagong Hill Tracts and Bakarganj. Damage was also caused to early sown crops in Bogra by rains in the middle of October.

M. CARBERY,

Director of Agriculture, Bengal.

Third Forecast of the Cotton Crops of Bengal, 1938-39.

(*Note.*—On an average of the five years ending 1936-37, the area under the cotton crops in Bengal has represented some 0·3 per cent. of the total area under cotton in India.)

There are two crops—early and late. The early crop is chiefly grown in the Chittagong Hill Tracts and in the Tripura State and to a small extent in other districts. The late crop is grown in Bankura and Midnapore.

Character of the season.—Since the issue of the second forecast in October last, the weather continued fairly favourable for early crop. The prospect of late variety is not very satisfactory.

Area sown.—The total area sown with early cotton is returned at 87,379 acres and that with late at 635 acres as against 87,693 (revised) and 495 acres, respectively, in the corresponding forecast of last year.

Outturn.—The outturn of the early crop is estimated at 27,523 bales and the late crop at 70 bales as against 27,142 (revised) and 69 bales, respectively, in the corresponding forecast of last year.

Dacca, the 16th December 1938.

Forecast of the Winter Til (Sesamum) Crop of Bengal, 1938-39.

(*Note.*—On an average of five years ending 1936-37, the area under *til* in Bengal has represented some 3·3 per cent. of the total area under *til* in India.)

Character of the season.—Excessive rainfall combined with long protracted floods delayed sowings in a number of districts and adversely affected the crop at the early stage of its growth. Subsequently, however, the conditions improved and the effects of weather did good to the crop. The season has on the whole been fair.

Acreage.—Total area sown with the crop this year is estimated at 45,900 acres as against 50,900 acres last year.

Outturn.—According to the District Officers' estimates the outturn for the province as a whole works out to 80 per cent. of the normal this year as was the case last year.

Accepting 80 per cent. as the provincial outturn, the gross yield of the crop, on the basis of a normal yield of 7 $\frac{1}{20}$ maunds per acre, is estimated at 9,500 tons this year as against 10,500 tons last year.

CALCUTTA, THE 19TH DECEMBER 1938.

RESOLUTION—No. 4427Mis.

Read

A report on the working of the Bengal Children Act, 1922, the Bengal Suppression of Immoral Traffic Act, 1933, the Reformatory Schools Act, 1897, and the Bengal Borstal Schools Act, 1928.

In publishing this annual report the Governor desires to take this opportunity of expressing his great appreciation of the public service rendered by the various non-official bodies and voluntary associations mentioned in the report in connection with the working of these Acts. He realises, however, that with the limited resources at their disposal they are unable to deal adequately with the vast problems which the Acts were designed to solve, and he trusts that the public will recognise the valuable work which these associations have undertaken and the need for the maintenance and expansion of their activities, and will continue to increase their support and sympathy.

Order.- Ordered that copies of the resolution be forwarded to the Director of Public Instruction, Bengal, the Commissioner of Police, Calcutta, the Inspector-General of Police, Bengal, and the Inspector-General of Prisons, Bengal, for information.

Ordered also that the resolution, together with the report, be published in the *Calcutta Gazette*.

By order of the Governor,

H. GRAHAM,

Secy. to the Govt. of Bengal.

Report on the Administration of the Bengal Children Act, 1922, the Bengal Suppression of Immoral Traffic Act, 1933, the Bengal Borstal Schools Act, 1928, and the Reformatory Schools Act, 1897, for the year 1937.

1. The Bengal Children Act extends to the town of Calcutta, the suburbs and the port of Calcutta, the municipality of Howrah, the police-stations of Bally, Jagacha, Sankrail and Domjur in the district of Howrah and the police-stations of Baranagar, Barrackpore, Tittagarh, Noapara, Khardah, Naihati and Jagatdal in the district of the 24-Parganas. The following sections of the Act have not yet been brought into force in any part of Bengal: –

Section 27(*1*), (*i*), (*ii*), (*iii*), (*a*), (*b*), (*c*), (*d*), (*e*) and (*f*).
Section 27(*2*), (*a*), (*b*), (*c*), (*d*) and (*f*).
Section 28(*2*).

The Bengal Suppression of Immoral Traffic Act is in force in the town, suburbs and port of Calcutta and at Panihati in the district of the 24-Parganas.

The Reformatory Schools Act applies to that part of the province in which the Bengal Children Act is not in force.

Boy offenders dealt with by Courts in the Children Act area are sent to the Reformatory and Industrial Schools at Alipore and those from outside this area to the Reformatory School at Hazaribagh in the Province of Bihar under the provisions of the Reformatory Schools Act.

2. During the year 1937, 2,878 children were dealt with by the Central Children Court, Calcutta. The great majority of these were sent up for offences under section 66 of the Calcutta Police Act; 32 were prosecuted under the Bengal Children Act, 15 under the Bengal Suppression of Immoral Traffic Act and about 150 for theft and similar offences under the Indian Penal Code.

Seventy-five of these children were sent to a school or other place of custody, distributed as follows: –

Reformatory School, Alipore	48
Industrial School, Alipore	9
Gobinda Kumar Home, Panihati	8
Salvation Army Home, Behala	6
Society for the Protection of Children in India ...	2
All-Bengal Women's Industrial Home ...	2
Total ..	75

Others were fined or made over to their guardians, while most of those sent up under the Police Act, were warned and discharged.

3. The Reformatory and Industrial Schools, Alipore, which are for boys only, are maintained by Government, while the Salvation Army Women's Industrial Home at Behala provides a Reformatory

School for girls. The following have been notified as places of suitable custody under section 28(*1*) of the Bengal Children Act and under section 27(*2*)(*b*) of the Bengal Suppression of Immoral Traffic Act:—

(*a*) The Gobinda Kumar Home, Panihati.

(*b*) The Salvation Army Women's Industrial Home, Behala.

(*c*) The Calcutta Protestant Home, commonly called the Fendall Home.

(*d*) The Society for the Protection of Children in India, Calcutta.

(*e*) The All-Bengal Women's Industrial Union.

4. *Controlling agencies.*—The Director of Public Instruction, Bengal, continued to be the Chief Inspector of Reformatory and Industrial Schools. Mr. A. Macdonald and Mr. J. M. Sen and after them Mr. R. Wolfenden and Khan Bahadur T. Ahmed were the Assistant Inspectors. The Inspectress of Schools, Presidency and Burdwan Divisions, was Assistant Inspector of Reformatory and Industrial Schools for Girls.

The places of suitable custody recognised by Government as eligible for grants are inspected by three ladies appointed for the purpose.

5. *Administration.*—The following is a brief summary of the activities of the various institutions working under these Acts:—

(*1*) *Reformatory and Industrial Schools, Alipore.*

These schools, which have been established by Government under section 6(*1*) of the Bengal Children Act, are under the general administrative control of the Director of Public Instruction, Bengal, while their immediate management is vested in the Superintendent and a Managing Committee appointed under section 7(*1*) of the Act.

The combined institutions have accommodation for 194 boys and the entire cost is met from Provincial Revenues.

On the 31st December 1937, the number of boys in the Reformatory School was 219 against 213 and 177 in 1936 and 1935, respectively, and in the Industrial School the number was 54 against 59 in 1936 and 61 in 1935. The total number of boys in the two schools was thus 238 in 1935, 272 in 1936 and 273 in 1937.

The number of fresh admissions during 1937 was 64 in all, viz., 53 in the Reformatory School and 11 in the Industrial School, of whom 57 had been convicted of theft or similar offences.

One hundred and sixty-six of the boys in the two schools on the 31st December 1937 were Hindus and 104 Muslims and there were 3 Christians in the Reformatory School, but none in the Industrial School. The number of Bengali-speaking boys increased from 102 to 114, while the number of Hindi-speaking boys decreased from 79 to 77 and of Urdu-speaking boys from 68 to 60. Of the 273 boys in the two schools, only 114 belonged properly to Bengal, while the rest were inhabitants of other provinces but were either domiciled in Bengal or had come there temporarily mainly from Bihar, Orissa and the United Provinces.

Twenty-six boys were released from the Reformatory School and 9 from the Industrial School on the expiry of their term. Seventeen boys of the Reformatory School and 5 of the Industrial School were released on license. Of the boys released during the year, 19 were made over to the Bengal After-care Association and the rest to their guardians.

Four boys escaped from the Reformatory School but 3 of them were recaptured. The general discipline among the boys was, on the whole, good.

Primary education is imparted up to Class V and the boys also receive vocational training in tinsmithy, blacksmithy, weaving, carpentry and tailoring. The education of boys is conducted through the medium of Bengali, Urdu and Hindi in accordance with an approved syllabus. The results of annual examinations were good. Facilities are given for moral and religious instruction and observance. As in previous years, boys whose conduct had been found to be satisfactory were allowed to visit their homes or other places of interest unattended during holidays and Sundays. No boy who had been given this privilege failed to return to the school in time, and the general effect of the privilege and the influence it created on the character of the boys have on the whole been very satisfactory.

The food supplied was of excellent quality and the general health of the boys was good owing to the excellent sanitation. The boys took part in regular games and physical exercises, including gymnastics and drill.

The total expenditure on the schools in 1937 was Rs. 56,791 against Rs. 51,516 in 1936 and the average cost of maintaining and educating each pupil was Rs. 203 against Rs. 198-9-3 in 1936.

(2) *Hazaribagh Reformatory School.*

The Reformatory School at Hazaribagh under the control of the Government of Bihar continued to receive youthful offenders of this Province, sent by Courts of the districts to which the provisions of the Bengal Children Act have not been extended.

This Home is intended for the reception of Indian girls dealt with under the Bengal Suppression of Immoral Traffic Act and the Bengal Children Act.

On 31st December 1937 there were 80 girls varying from 3 to 16 years of age, as against 93 in 1936. All of them were Hindus. Of them 4 belonged to other provinces, viz., two to the United Provinces and two to Orissa, and the remainder were Bengalis. There were 11 fresh admissions during the year. Nine of them were dealt with under the Bengal Children Act or the Immoral Traffic Act. One was sent to the Home by order of the Police Magistrate, Sealdah.

There is a primary school attached to the Home where training is given up to Class IV. The girls are also taught weaving, spinning, knitting, embroidery, crochet, garment-making, carpet and bag-making, *bori*, chutney, jam and jelly-making.

The general health of the girls was good and their conduct satisfactory. They do all the household duties themselves.

Eight Hindu girls varying from 1 to 15 years of age were sent to the Home by the Court during the year. Of them 5 were Bengalis and 3 non-Bengalis. Five girls were dealt with under section 14 of the Bengal Suppression of Immoral Traffic Act and 2 under the Bengal Children Act and 1 under section 379 of the Indian Penal Code.

Their educational progress in the Home was generally fair and the health of all the girls was on the whole good during the year. The girls were taught house-keeping in addition to general education

The Home received from Government a maintenance grant of Rs. 1,200 in addition to Rs. 3,066-5 on account of capitation grant for the girls sent there by the Court.

The total cost incurred in the maintenance of the Home during the year was Rs. 11,361-12 and the cost of maintaining each girl during the year was Rs. 12-11 per month. Public subscriptions amounted to about Rs. 2,566.

(5) *The Calcutta Protestant Home (Fendall Home).*

This Home is a rescue home for European and Anglo-Indian women and girls. A fair number of those who came to the Home during the year 1937 were needing a home while they were looking for work.

During the year under review, 47 girls as against 40 in the last year left the Home: 4 were married, 17 found new situations as children's nurses, 20 returned to relations, 1 took up hospital training and 5 were sent to a boarding school.

The girls in the Home do fancy work of all kinds and make sample tea and money bags and jharans for business firms. They are paid according to the quantity and quality of the work done and the balance goes to the Home.

The health of the girls was very good on the whole.

No girls dealt with under the Bengal Children Act or the Bengal Suppression of Immoral Traffic Act were sent to the Home during the year under review.

The Home received the usual maintenance grant of Rs. 960 from Government and its income from collection and donations amounted to Rs. 10,578.

(6) *Society for the Protection of Children in India.*

The number of children in the Society's custody during the year 1937 was 211, viz., 90 boys and 121 girls. The number of new cases registered during the year was 374.

The Society received the usual maintenance grant of Rs. 1,600 from Government. Its total expenditure during the year amounted to Rs. 30,649-4-10.

(7) *The All-Bengal Women's Union.*

The All-Bengal Women's Union, which was founded in the year 1932, has for its aims the abolition of commercial vice and of the exploitation and contamination of women and young persons. It is recognised by Government for the purposes of clause (*c*), sub-section (*7*) of section 4 of the Bengal Suppression of Immoral Traffic Act. It has also been recognised for the purposes of clauses (*1*) and (*2*) of section 14 of the same Act.

The Union founded in November 1932 an After-care Home called the "All-Bengal Women's Industrial Institution" at Dum Dum Cantonment in a Government of India building made over to it at a concessional rent, towards the payment of which the Provincial Government continued to make a contribution of Rs. 150 per annum to the Union. This Home also caters for Indian girls dealt with under the two Acts. Its present capacity is 30 girls; and the total number of girls at the close of the year was 20. There were 6 new admissions. Three of them were dealt with under the Immoral Traffic Act and 3 under the Bengal Children Act. Of them 1 was non-Bengali.

The inmates of the Home receive general education up to Class VI and they are taught weaving, needle work, cooking and gardening; they are also given training as Girl Guides.

Twelve other girls sent by relatives were kept in the Home during 1937. Of these 2 were boarded out for training as teachers at a cost of Rs. 10 per month each.

Six girls were under medical treatment; otherwise the health was fair.

The cost of maintaining the Home during the year was about Rs. 3,300. Private subscriptions realised amounted to Rs. 2,979 and the Government grant was Rs. 321.

(8) Bengal After-care Association for Juveniles and Adolescents.

Total admissions during the year numbered 193 as against 177 in 1936; the average daily population was higher, being 55, against 45 of the previous year. The health of the inmates was on the whole fairly good. Educational instruction is given in the night school and the introduction of radio has served to keep the boys out of mischief in the evenings. During the year the boys were taken on excursion to several places of interest near Calcutta.

The Association received the usual maintenance grant of Rs. 2,400 from Government. The total receipts of the Association during the year were about Rs. 5,774 against an expenditure of Rs. 6,505.

The mofussil work of the Association is undertaken by several District Associations. There are Associations in the districts of Bankura, Birbhum, Chittagong, Khulna, Midnapore, Murshidabad, Mymensingh, Rajshahi, Tippera, Dacca and Dinajpur. The work done by the Mymensingh District Association was particularly creditable.

6. *Probation work.* During the year in question 351 children were on probation under the charge of 4 probation officers (2 females and 2 males) against 273 in the previous year. The amount of work, therefore, considerably increased during the year under review. Probationers were dealt under the Bengal Children Act and the Immoral Traffic Act.

Probationers were visited at regular intervals and their conduct and progress were carefully watched by the probation officers who by keeping in personal touch with their charges and by means of friendly advice and moral persuasion tried to bring about a new and healthy outlook of life amongst them; most of the probationers have been making notable progress and it may reasonably be expected that many of them will turn out to be useful members of the Society in time.

Probation officers had also to make initial enquiries into the antecedents, relations, conduct, etc., of all the accused tried in the Juvenile Court in serious cases.

The Magistrate, Central Children Court, visited probationers from time to time for the purpose of gaining personal knowledge regarding them and to give impetus to the work done by probation officers.

The officers maintain probation records of every case which are shown to the Magistrate after every visit to their charges and monthly charts are prepared by them at the close of every month and submitted to the Chief Presidency Magistrate through the Magistrate of the Central Children Court.
